## DEMOCRATIC CAUCUSES

Held Throughout County This Evening.

## INTEREST IS CENTERED

In Coming Contest For State Representative.

County Convention Will Be Held Saturday Afternoon at One O'clock at Court House.

Tonight between 7 and 8 o'clock, Democratic caucuses will be held at all of the precincts in the county for the purpose of choosing delegates to the convention which will be held at the courthouse, Saturday to nominate a candidate for representative. A great amount of interest is centered in the contest and it is expected that the caucuses will be well attended.

The men who are after the nomination are Charles W. Criswell, M. B. Chase and William T. Smith, of Marion, and John E. Dutton, of Agosta. It is also hinted that there is a possibility of a dark horse springing up at the last minute.

Thomas Grober, mayor of Caledonia, will act as temporary chairman and Charles Justice will be the temporary secretary. There will be 157 delegates in attendance and 72 of them will be from this city.

The Republicans will nominate their candidate at a convention to be held a week from Saturday. Those who seek the Republican nomination are S. E. DeWolfe, Thomas D. Emery, Hoke W. Donithen, Peter C. Sells and Truman Lewis. Fred W. Warner is slated to be temporary chairman of the Republican convention.

The Democratic convention will be called promptly at 1 o'clock Saturday afternoon.

Don't sleep in your tent! Attend your precinct caucus.

## MISS GRACE BUSH BECOMES A BRIDE

United In Marriage to Oscar J. Lusch.

Ceremony Performed Thursday Afternoon by Rev. M. S. Bush of Pittsburg.

The wedding of Miss Grace E. Bush and Mr. Oscar J. Lusch was solemnized at the home of the bride's parents, Mr. and Mrs. E. E. Bush, at the corner of East Center street and Boone avenue, at 3:30 o'clock Thursday afternoon. The company present was made up only of the immediate relatives of the two young people. The ceremony was performed by Rev. M. S. Bush, of Pittsburg, a cousin of the bride.

Immediately following the ceremony, the young people left for Mackinac and Petoskey, where they will spend their honeymoon. They will be at home to their friends after October 1 at their residence on South Seffner avenue.

The ceremony which united Mr. and Mrs. Lusch was simple but pretty in its arrangements. The bride was attired in a traveling costume. The Bush home was nicely decorated with astors and dallas, the color scheme being white and green. Both of the young people have a wide acquaintance in Marion and are popular with all who know them.

The out-of-town guests were Mrs. A. A. Bush, Rev. and Mrs. M. S. Bush and Eli Bush, the bride's grandfather, of Pittsburg.

Remember your precinct caucus tonight and be on hand.

## NEW CARRIERS

Two Men to be Added to Force Monday.

Postmaster Dickerson today received a list of the men who were successful in passing the examination for mail carriers recently held here. Beginning Monday the local force of carriers will be increased from nine to eleven men and the entire city will be redistricted so that everyone living within the corporation will get the benefit of a daily delivery. The two new carriers will be Lewis T. Young and Lewis F. Baller.

When the increased force begins work, the plan of having the carriers' window open for an hour during the evening will be abolished and instead there will be an evening distribution in the business part of the city.

Help select delegates to tomorrow's convention.

## PROSPECT HORSEMAN

Sells Four Draft Horses to Cornell University.

Mr. H. D. Beavers, the well-known horseman of Prospect, made a nice sale Wednesday, which is quite a compliment to him, reflecting on his excellent judgment of horseflesh. A deal was concluded whereby he sold four fine draft horses to Cornell University, which will be used in the Agricultural Department of the University. The horses are said to be beauties, and brought the seller a fancy figure.

## C. D. &amp; M. OFFICIALS MAY COME BACK

Worthington May be Given Cold Shoulder.

Road Can Easily be Rebuilt from Mock Road Direct to Glenmary Park.

There is a possibility that the people of Worthington have seriously jeopardized their position in the eyes of the state by their attitude toward the Columbus, Delaware and Marion road. Since the town council there has ordered the tracks of the road through the place torn up immediately, it is possible that the officials of the road will conclude to eliminate Worthington from the C. D. & M. route. The road can take this action without a great expense. When the road from Columbus to Delaware was first planned there were two routes possible, and rights of way for both were secured. The company can build a cut-off north from the Mock road to Glenmary park, leaving Worthington to the west by almost a mile.

Whether or not this will be done has not been officially stated. But since the Worthington council has taken extreme measures it is probable that the officials of the road will resort to the same measures.

## DELAWARE CHIEF REINSTATED THURSDAY

Six Hours are Spent in Hearing the Case.

Board of Public Service at Close of the Hearing Rendered a Favorable Decision.

Delaware, O., Sept. 12.—Chief of Police W. B. Matthews, who Monday was suspended from office on the charge of "conduct unbecoming a city official" was reinstated Thursday afternoon, after the board of safety spent six hours in hearing the case and then returned a favorable verdict.

Whether or not the unfilled charges alleging the chief to have been intimate with Mrs. Anna Davis will now be heard is a matter which cannot be determined as both the mayor and city solicitor are reticent on the subject.

It is very probable that the final outcome of the matter will shape itself into a political issue in the mayoralty race in the coming election.

## ANNUAL REPORT MADE

By the Board of Trustees Last Evening.

Uniformed Rank K. of P. to Attend the Unveiling of the McKinley Monument.

Mrs. G. B. Smeltzer and Mrs. M. C. Chipps returned yesterday from Tiffin where they attended the D. A. R. state convention. Mrs. Chipps was elected National representative for a term of five years.

At a well attended meeting of Marion Lodge of Elks, No. 32, held Thursday evening, the board of trustees was authorized by a unanimous vote of the lodge, to bring an ejectment suit against the Grand Opera House company. As was published several days ago, the Opera house stands almost two feet on the South State street lot owned by the Elks, and the lodge will seek damages. Unless a settlement is effected, suit will be started soon.

The annual report of the board of trustees was received, showing the lodge to be in prosperous condition. It was on the recommendation of the board that the lodge authorized litigation against the Opera house company.

On the recommendation of the board, the lodge also voted to purchase a new billiard table. When this is installed, the lodge will have its club rooms equipped with both a pool and a billiard table.

Plans are now under way to begin the winter's activities, both in the line of initiation and social features. A class of candidates will be initiated next Thursday evening.

An invitation to attend the unveiling of the McKinley monument at Canton, September 30 was received and accepted at a big meeting held by the Uniform Rank, Knights of Pythias last night. Nineteen-Hour Days. "Our hours," said a nature student, "are nothing to the birds. Why, some birds work in the summer 19 hours a day. Indefatigably they clear the crops of insects."

"The thrush gets up at 2:30 every summer morning. He rolls up his sleeves and falls to work at once. And he never stops till 9:30 at night. A clean 19 hours. During that time he feeds his voracious young 206 times. The blackbird starts work at the same time as the thrush, but he lays off earlier. His whistle blows at 7:30, and during his 17-hour day he sets about 100 meals before his kiddies."

"The titmouse is up and about by 3 mouse is said to feed his young, 417 in the morning, and his stopping time is 9 at night. A fast worker, the titmouse—meals of caterpillar mainly—in the long, hard, hot day."

## Senator Pettus' Library.

The late Senator Pettus of Alabama was a "Forty-niner," going overland to California in the early days and engaging in placer mining. He took with him on that long and tedious journey three books, the Bible, Shakespeare and Burns' poems.

He said of them at one time not long since: "I read the Bible from cover to cover; I read the side notes; I read the captions of the chapters; I learned great parts of it by heart, and I haven't forgotten them yet. I learned many of Burns' poems by heart and much of Shakespeare in the same way, too." Such reading of these three books was an education in itself. It is not likely that many miners engaged in that search for wealth spent their leisure in as profitable a way.
